

APPLICATION TO EXHIBIT at the Sonoma County Family YMCA Gallery

Building strong kids, families and communities through activities that enhance Body, Mind, and Spirit, is the mission and work of the Y. Enhancing our facility with uplifting inspiring images helps fulfill this mission.

A rotating art gallery was established by the Sonoma County Family YMCA Art Committee in the summer of 2005. Members are invited to submit applications to exhibit work on a quarterly basis. The committee also will invite targeted groups and individuals to submit applications.

A sample of the work to be shown and selected photos or digital images should accompany this application. Applications are reviewed on a quarterly basis. Those selected will receive a response. There may be a pre-installation appointment to view your work and determine which pieces will be in the show.

Artist's Name: _____

Address: _____

Date of Application: _____ Phone: _____

Description of art you wish to exhibit (medium & approximate sizes) and photo samples (may be emailed):

Brief summary of your artistic background:
